

APPLIED ETHICS

in Substance Use Disorder Treatment Setting

APRIL 15, 2020

8:30am - 4:00pm

Hosted by

Recovering Hope Treatment Center
Mora, Minnesota

Carmen Finn
MA, LADC, ADCR-MN

Training will be conducted by *Carmen Finn*, who is the Clinical Director at Recovering Hope Treatment Center. She has over eighteen years of experience providing services to families and individuals in the field of behavioral health.

This training is considered an advanced ethics course and geared towards those currently practicing in the substance use treatment center field.

Participants will learn:

- *Ethical decision-making models.*
- *Ethical dilemmas in SUD treatment settings.*
- *Understanding the intersection between 245G and common ethical scenarios.*

This training has been approved for **7.5 CEUs** for Licensed Alcohol and Drug Counselors by the Minnesota Board of Behavioral Health and Therapy.

The \$60.00 registration fee includes:

- Training materials
- Lunch
- Refreshments
- Attendance confirmation
